SCIENCE – 2012”**

**RIVIERA BEACH 4* Hotel
Herceg Novi**

**Montenegro,
September 22-29, 2012**

The Forum will be held in Montenegro.

Montenegro is a small but a very picturesque country on the Adriatic seashore of the Balkan peninsula. Its wonderful climate, fascinating sights of nature, lots of historical monuments, calm and peaceful atmosphere will greatly impress everyone.

Herceg Novi is a popular resort in the Southern part of Adriatic, near the entrance to the Bay of Kotor at the foot of magnificent mountain range. City of flowers and of the sun, of artists and poets, it is also called as “botanic garden of Montenegro” for lots of relict plants growing there.

Among the main tourist destinations of the city are its fortresses and strongholds: the Citadel, Forte Mare, Kanli Kula, Spaniola, and numerous architectural monuments, the most famous from that is the ancient monastery of Savina.

The **RIVIERA BEACH 4*** hotel is located in the bay of Herceg Novi. The hotel has its own Blue

Flag beach about 700 meters long, fine pebble, crystal clear water. The Hotel is placed in a pine park, with soft Mediterranean wind Maestral bringing healthy air to the coast. Two swimming pools, for adults and for kids respectively, two restaurants, bar on the terrace.

All rooms are equipped with shower cubicles or bathrooms, hairdryers, refrigerators, air-conditioning units, and safes. Sea view.

Scope of Forum and themes:

- Mechanical engineering and mechatronics
- Construction and building industry
- Nano science and nanotechnologies
- Computer science, telecom and communications
- Prospective tasks of engineering education
- Transport and logistics
- Economics, law and management in engineering activities

Abstracts (1 page size, 2 thousand printed chars) are accepted until **August, 15 2012**. Papers (up to 5 pages, 10 thousand printed chars) will be accepted until **September, 15 2012**. Please, send your abstracts and papers by e-mail: afes2012@mail.ru

Please send to Organizing committee Letter of representation including:

1. Full name of participant, full name of organization (in Russian and in English)
2. Title, position
3. Title of the paper (in Russian and in English)
4. Author's address and phone number.

Forum Proceedings will be published as Collections of scientific papers, on the website, and in other sources as well.
