

The International Academy of Engineering (IAE) general assembly took place online in Moscow on November 24th, 2022. What was also on the agenda of the assembly was selecting the 2022 members for the academy. After careful assessment of the qualifications of the nominees, the IAE announced 12 new academicians ([download](#)) and 13 new corresponding members ([download](#)) from various countries, including the nominees, recommended by the Taiwan Chapter of the International Academy of Engineering (IAE). Congratulations to our members!

Full Members
