The Tang Prize series produced by Radio Taiwan International's (RTI) Russian Program host Chechen Kuular has been released. Established in 2012, the Tang Prize has garnered global recognition and is often hailed as "Asia's Nobel." It comprises four categories: Sustainable Development, Biopharmaceutical Science, Sinology, and Rule of Law. The three podcast episodes and one video listed below feature an introduction of the Tang Prize's four categories and its distinguished laureates by Tang Prize CEO, Chen Chien-chuan. This series is tailored for Russian-speaking audiences. For those interested, the links are as follows:
